One day as I was reading Isaiah chapter 45, I came to verse 3. And it says,

Isaiah 45:3

New International Version

3 I will give you hidden treasures,(A) riches stored in secret places,(B)

so that you may know(C) that I am the Lord, the God of Israel, who summons you by name.(D)

Initially, when God first used scripture to talk to me it was about my personal problems. Then later the scripture was talking to me about what God wants to do for me. I found it strange that I have always read Isaiah 45:3 many times but that day, it was talking to me. So I contemplate about what it means when it says hidden treasures, riches stored in secret places.

Then the Spirit of the Lord led me to go to various churches to listen to his anointed messenger's sermons. At one particular church, I was prayed for by a pastor. After that prayer, someone came to my bookshop to ask for a book on dream interpretation. So I out of curiosity enquire about her dream.

She told me that she dream of a friendly black dog coming to follow her as she was walking down the road. Then she met a lioness which clawed her clothes and it's paw was caught in her clothes she dislodge the lioness claws and the lioness followed her. And as she walked further another lioness did the same thing, and the next one as well. She didn't understand the meaning of her dream, so she asked me.

Out of a sudden, I just knew the interpretation of her dream. The first black dog would be a Methodist pastor who would be a loyal partner with her in the father's or God's business and her business will be to minister to business lady bosses.

As I explained she confirmed that she had received a prophecy on this same matter. I was surprised and later realized that God had given me a secret hidden treasure of dream interpretation ability. When the Rhema word or current word is given it will always accomplish what it says as in Isaiah 55:11.

Isaiah 55:11

New International Version

11 so is my word(A) that goes out from my mouth: It will not return to me empty,(B) but will accomplish what I desire and achieve the purpose(C) for which I sent it.

So I realized that Isaiah 45:3 was a Rhema current word from God. And God has spoken to me using this scripture which resulted in my ability to interpret dreams

which is a hidden secret treasure that nobody knows. Thus bible scripture can and will speak to us when God enlightens the word by activating it through the Holy Spirit to speak to me. Scripture that is not enlightened by the Holy Spirit will never have the power to do what it says.

So we cannot pick any scripture we think works for us by insisting that God do exactly as the verse says unless God himself has given us the verse by speaking to us through the Holy Spirit power. When God didn't promise you anything, he has no obligation to do whatever bible verse you throw at him.
