In the book of Revelation, it is mentioned that there will come a plague that will be sent upon the earth and this plague can distinguish between those who have the Seal of God and those who don't. This virus or sickness will be released from the abyss which means deep shaft of the earth. The purpose of this Seal of God is to differentiate between nominal and sincere believers. Many preachers hate the ones who are favoured by God, they call them super Christians. Yet in the bible, it says that those who have the mark of God upon their foreheads will not be touched by certain sickness or virus isn't that a special favour of God? Those who are approved by God and those who are not; are differentiated by the Seal of God. Because, as it is mentioned in the book of Revelation 9:2-5; that only those who have the Seal of God will not be attacked by this virus.

Revelation 9:2-5 (New International Version)

2 When he opened the Abyss, smoke rose from it like the smoke from a gigantic furnace. The sun and sky were darkened by the smoke from the Abyss. 3 And out of the smoke locusts came down on the earth and were given power like that of scorpions of the earth. 4 They were told not to harm the grass of the earth or any plant or tree, but only those people who did not have the seal of God on their foreheads. 5 They were not allowed to kill them but only to torture them for five months. And the agony they suffered was like that of the sting of a scorpion when it strikes.

This virus has eyes to see and will only attack those who do not have the Seal of God. Who then have this Seal of God? This Seal of God is almost equivalent to the blood of the lamb that the Israelite placed upon their front doors when the spirit of death came to destroy the first-born sons of the Egyptian people. But you will not find many books written on the Seal of God simply because there was not much revelation given by the Holy Spirit on this topic. The other matter is that no one who has been given this Seal ever wrote about this. This Seal can be found in the book of Ezekiel 9:4.

Ezekiel 9:4 (New International Version)

4 and said to him, "Go throughout the city of Jerusalem and put a mark on the foreheads of those who grieve and lament over all the detestable things that are done in it."

Most of the Christians may think that because they believed in Jesus, and have been baptised in water and that their pastors have said that they have already gotten the Holy Spirit automatically once they believed may be in for the biggest surprised in their lives. This corona virus which many pastors also proclaimed their Psalm 91 protect and went preaching without taking precaution had already died. That ought to tell you that they have presumptuous faith. Psalm 91's Protection is naturally imbued to the Christians who listen and hear God's voice and obeyed God's instructions and commandments. These sheep who can hear the voice of Jesus and do what he says are the ones who dwell in the Psalm 91. I have heard the most ridiculous suggestion by matured Christians that you can keep chanting Psalm 91 and God will grant his protection to you? Chanting is what the Buddhist is famous for, and are we also trying to chant our scripture like them? God told us not to worship him like the pagans do. We must not do what other religion do because it's commanded by God, not to worship like other religions do.

The famous misconception that the Holy Spirit is the seal of God is because of what has been written in the book of Corinthians and Ephesian.

2 Corinthians 1:21-22 (New International Version)

21 Now it is God who makes both us and you stand firm in Christ. He anointed us, 22 set his seal of ownership on us, and put his Spirit in our hearts as a deposit, guaranteeing what is to come.

Ephesians 1:13 (New International Version)

13 And you also were included in Christ when you heard the message of truth, the gospel of your salvation. When you believed, you were marked in him with a seal, the promised Holy Spirit,

I tell you the truth, initially I also thought that the Seal of God is the Holy Spirit given to us that was mentioned in Revelation 9:4, but it's not until I personally received the Seal of God into my forehead that I realized that the Seal of God is a separate Seal. This Seal can only be known to the one who receives it. The nature of the Seal is that it is bright golden in colour and it enters into the forehead of the receiver. The receiver can see the Seal of God entering into his forehead. If you don't see this Seal entering into your forehead, then it's not the Seal of God. That's how it is given. It's not a spiritual Seal, and you can see it coming into you, but it has to come only into your forehead and not other parts of your body. Once you receive this Seal of God, the effect is that you can sense the presence of spiritual beings or powers when you come close to them because the sensation is the like a strong pressure or heat or pulsation effect on your forehead. But it will never give you a headache effect.

I am sharing this Seal of God to dispel the notion that the Holy Spirit is the Seal mentioned in Revelation 9:4, I repeat it is not. Because if it was so then I wouldn't have seen the Seal of God entering into my forehead as mentioned in Revelation 9:4. The Seal is on the forehead, that's what it says. That's what Ezekiel 9:4 also says mark on their foreheads. This mark is only given to those who detest and hate the evil things that people are doing on earth. These are the people who prayed fervently to God to ask him, how long will you tolerate the evil that's constantly being done on earth. God heard their prayers and gave them the Seal of his love by marking them on their foreheads. Yes, they are not super Christians, they are normal people who hate the evil on earth and God remembered their supplication by marking them on their foreheads as a remembrance of their hearts' cry.

I am writing to those who have received the Mark or Seal of God to write to me so that we can commune with the ones whom God has sealed. I abstain from saying what this Seal of God looks like because it is only made known to the receiver and no one else. The purpose is to protect against the counterfeits who will say anything to fake the anointing.
